

Thank you for purchasing my TLC, (Tina Loving Care), Organic Super Nutrient Facial Elixir and welcome to your daily ritual!

Discover the transformative power of nature in every drop. My carefully crafted oil is designed to nourish, restore and elevate your skin and senses. Every drop is a little ritual of self-care - simple, natural and luxurious. The oil is thoughtfully blended with high-quality, organic, natural ingredients to provide hydration, radiance and a touch of indulgence - because you deserve a ritual you love.

Suitable for all skin types including oily, dry, sensitive and acne prone.

Do not mix with products containing retinol or strong actives as this may cause irritation.

Organic Super Nutrient Facial Elixir

Uses

Use 2-3 drops in the morning before moisturiser, (or in your moisturiser) for extra radiance and glow. Pat on a drop or 2 after makeup on the high points of your face for more glow.

Before bed, apply 2-3 drops and pat into your skin. Leave overnight. Layer under your usual moisturiser, (or mix in), or use on its own.

Benefits

Rosehip Oil - (Natural Vitamin A). Hydrating, reduces scars and fine lines, improves skins elasticity and texture, fades hyperpigmentation. Rich content of Vitamins A, C, E and essential fatty acids which are antioxidants and help with

skin regeneration, collagen production and barrier repair.

Chia Seed Oil - Rich in Omega 3, 6 and antioxidants. Soothes and calms redness, hydrates, reduces fine lines and promotes cellular function.

Argan Oil - Hydrates and moisturises due to fatty acids and Vitamin E. Soothes inflammation and also has anti-bacterial properties. Boosts elasticity and can help balance oil production. Helps support wound healing and repair.

Avocado Oil - Moisturising and healing properties. High content of fatty acids, (Vitamins A, C and E). Softens and smooths, reduces inflammation. Promotes regeneration and a healthier more youthful appearance.

Olive Squalane - Deeply moisturises, strenghtens the skin barrier and has antioxidant properties. Reduces fine lines. Non-comedogenic. Soothes and balances oil production. Promotes and more radiant complexion.

Rosehip CO2 Extract - Boosts the other products to enhance their nourishing properties. Good for sensitive skin. Soothing and nourishing. High in GLA. Extracted from the fruit of the rose left behind after the flower has bloomed and died.

Vitamin E Blend - Supports collagen production, smooths and strengthens the skins barrier. Promotes tissue repair and reduces inflammation. *Protects against sun damage

and can reduce the appearance of scars and hyperpigmentation. (*Always use a dedicated SPF all year round with UVA and UVB, broad spectrum protection in).

Chamomile CO2 Extract - Anti-inflammatory and anti-oxidant. Promotes skin regeneration and wound healing. Moisturising and soothing. Contains a high concentration of essential oils. Can promote clarity and help alleviate anxiety.

Bisabolol - Anti-inflammatory and soothing. Mild antimicrobial qualities and enhances skin's ability to absorb other beneficial ingredients.

Rosemary Extract - Antioxidant, anti-inflammatory. Promotes a healthier complexion. Anti-microbial benefits.
